Websites you might find useful:

**IRS forms** - <http://www.irs.gov/app/picklist/list/formsInstructions.html>

Just put the form you're looking for in the "Find" box

**IRS – retention of forms and documents** – what's the IRS have to say about how long you keep records?

Click here to find out - <http://www.irs.gov/businesses/small/article/0,,id=98513,00.html>

**Social security questions** – [www.ssa.gov](http://www.ssa.gov)

Easiest thing to do is to look on the right-hand side of the page under "Questions?", click the drop-down arrow and choose the area of questions that you think best matches your question.

**Mortgage, loan, credit card, checking/savings, college finance, retirement** questions? Check out [www.bankrate.com](http://www.bankrate.com). Have to do some searching, but lots of useful information.

**Michigan representatives?** Find your representative here - [http://house.michigan.gov/find\\_a\\_rep.asp](http://house.michigan.gov/find_a_rep.asp)

**Michigan senator** - <http://www.infomi.com/gov/statesenate.html> (not as easy as the representative lookup – you have to look at a map to find the "number" of the district you're in, but then the list of senators is sorted alphabetically, not by the number. Ok...)

**IRS small business resource guide** - <http://www.sbrg.irs.gov/> (look on the left-hand side of the screen; good stuff starts with fifth item down, "Pre Start-Up").
